Bangarra Dance Theatre's youth program Rekindling is designed to inspire and develop the next generation of Aboriginal and/or Torres Strait Islander story-tellers by using dance to connect with their rich cultural heritage.

Mentored and trained by Bangarra's Youth Program team: Youth Program Director Sidney Saltner and Youth Program Leaders Chantal Kerr and Patrick Thaiday, participants gather stories, songs and dances from within their communities to create and present a live dance performance telling their stories, their way.

"I believe that the Rekindling program has changed the lives of all those involved from students, parents, teachers and community."

Katrina Johnston, Aboriginal Health Worker, Theodore

"This is an opportunity...to embrace a role as future custodians of their culture"

Andrew Gee, Member for Orange
